EDUCATION

Bachelor of Technology | Computer Science & Engineering | CGPA : 7.66

Year 2021 - 2025

Patel College of Science & Technology, Bhopal, Madhya Pradesh | RGPV University

EXPERIENCE

Full Stack MERN Developer Intern | Averoft

Aug 2025 – Present

Developing full-stack web applications using MongoDB, Express.js, React.js, and Node.js
Implementing user authentication, CRUD operations, and responsive UI for client projects.

Customer Support | TechnoTask

May 2025 – July 2025

Handled customer queries via email and outbound calls, ensuring timely resolution.
Improved communication, writing skills, and product knowledge through direct client interaction.

TECHNICAL SKILLS

Programming Languages : Java, JavaScript, C++, C

Front-end Technologies : HTML, CSS, Bootstrap, JavaScript, AJAX, jQuery, ReactJS

Back-end Technologies : NodeJS, ExpressJS, MongoDB, Restful APIs, JDBC

Databases: MySQL (SQL), MongoDB (NoSQL)

Version Control & Tools : Git, GitHub, Postman, VS Code

Relevant Coursework : DBMS, DSA, OOPs, Computer Networks, Operating Systems.

PROJECTS

• Ezee-Blitz : E-Commerce Platform

Tech Stack : HTML, CSS, Bootstrap, ReactJS, React Toolkit

- Designed and developed a responsive, fast, user-friendly E-Commerce website.
- The platform features a dynamic interface for seamless user interaction and real-time updates through API calls.
- Implemented a fast, scalable, and secure platform with an emphasis on smooth user navigation.
- Leveraged React Toolkit for efficient state management and optimized performance.

• E-Mart-Stock Management

Tech Stack : JavaSE, JDBC, MySQL

- Developed a comprehensive E-mart stock management system using JavaSE, JDBC, and MySQL.
- This project aimed to streamline the management of inventory and stock for e-commerce operations.
- Designed a user-friendly interface to track stock levels, add or remove items, and manage product details.
- Established seamless database connectivity using JDBC and MySQL for data storage and retrieval.
- Generated unique barcodes for every product, enabling seamless retrieval of product details .

HACKATHON & CERTIFICATION

- Naukri Campus Young Turks Program : Round 1 : Scored 93.95%. Round 2 : Secured an All-India Rank of #4377.
- Flipkart GRiD 6.0 : Software Development Track and successfully completed Level 1 : E-Commerce & Tech Quiz.
- Web design - FreeCodeCamp : Completed Responsive Web Design Certification in 300 hours with 5 projects.
- JavaScript - HackerRank : Earned a JavaScript certification by demonstrating proficiency in solving Problems.
- SQL - HackerRank : Achieved SQL certification demonstrating skills in querying, data manipulation & DB design.
- C Language - Sololearn : Completed the C programming course with a focus on Basic programming concepts.
